

Red Funnel Travel Voucher Scheme 2018 Bridging Communities

We feel passionately about supporting local community groups within the area so to ensure that we meet this challenge we have set-up the Red Funnel Travel Voucher Scheme.

“Thank you for approaching us for support”

Red Funnel in partnership with the IWCF have established a scheme to support Isle of Wight voluntary and community groups by contributing towards travelling across the Solent on Red Funnel vehicle ferry and Red Jet services. Those eligible include Isle of Wight and Hampshire based community and voluntary groups, including those that work with children, youth, seniors and people with disabilities. Priority will be given to groups supporting the vulnerable and disadvantaged. We are unable to offer support directly to individuals but

local community groups can make an application on behalf of an individual so we encourage those seeking support to contact a local community group with details of this scheme.

Unfortunately we are not able to support requests for raffle prizes.

For more information on mainland based charity support please contact the Hampshire & Isle of Wight Community Foundation at grantsadmin@hiwcf.com

Applicants **MUST** apply at least 4 weeks in advance of their planned travel dates. A maximum of £200 is available per organisation per year. Successful groups will need to contact Red Funnel to book a ferry. Groups will also need to tell us how the travel award was used for community benefit.

Applicants will need to complete a short application form explaining why they are requesting support and attach their constitution, terms of

reference or set of rules that they use as a governing document.

Details and the application form are available at www.hiwcf.com
