

DAYAS MUSIC SCHOLARSHIP

**Grants of up to £600
now available**

For musicians in Hampshire seeking to improve their skills, particularly older individuals. Studies can include playing a musical instrument, composition, conducting, singing, music education and musicology.

Grants will cover tuition costs for an individual, particularly if this will benefit a wider group in the community, such as performances in hospitals, schools or other events.

Grants are also available for music project expenses such as making a recording or hiring a performance venue.

All genres of music are eligible, with a preference for piano. Grants will cover up to 50% of the cost of tuition, which may be varied in exceptional cases of hardship or special ability.

Apply to HIWCF online before **13 July 2018** at:
