

## New chief

A FOUNDATION which helps community groups make a difference to peoples' lives has appointed a new chief executive.

Hampshire and Isle of Wight Community Foundation has appointed Grant Cornwell to take up the position.

Mr Cornwell has a background which includes 10 years at the Tottenham Hotspur Foundation and he is passionate about supporting and helping to improve the lives of people within the community.

Mr Cornwell said: "This region contains areas of deprivation in the worst 10 per cent in the country and the foundation will continue to target grant-making towards those most in need.

"I look forward to working alongside Hampshire businesses, donors, and the community to increase the support we are able to give to local organisations."
