

New fund

THE Hampshire and Isle of Wight Community Foundation (HIWCF) has announced the launch of the Hampshire Community Fund.

The fund is a new charitable fund worth £700,000, created through an amalgamation of 27 trusts and charities transferred from Hampshire County Council, enabling grants worth up to £35,000 to be made each year to residents across Hampshire.

Grants will be made in line with the original objectives of the trusts. A number are open for applications now, with a deadline of July 13.

Applicants should apply through the HIWCF website at hiwcf.com/grants
